

# A BLUEPRINT TO VALUE

## TRACTORS

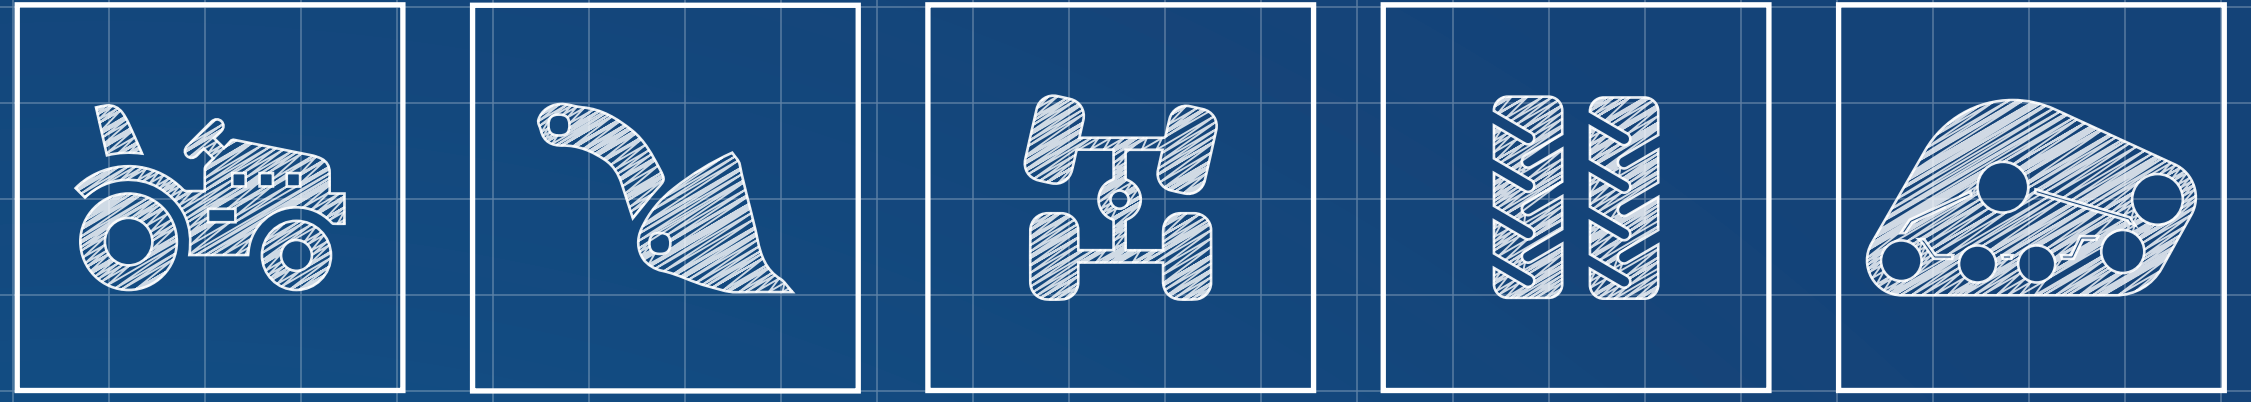

### ANATOMY

In the 1900s, tractors revolutionized the agriculture industry, eventually freeing farmers from using oxen, horses and manpower. Today, no farm is complete without a tractor.

The word tractor is from Latin, trahere meaning "to pull."

### CLASS TYPES

COMPACT

UTILITY

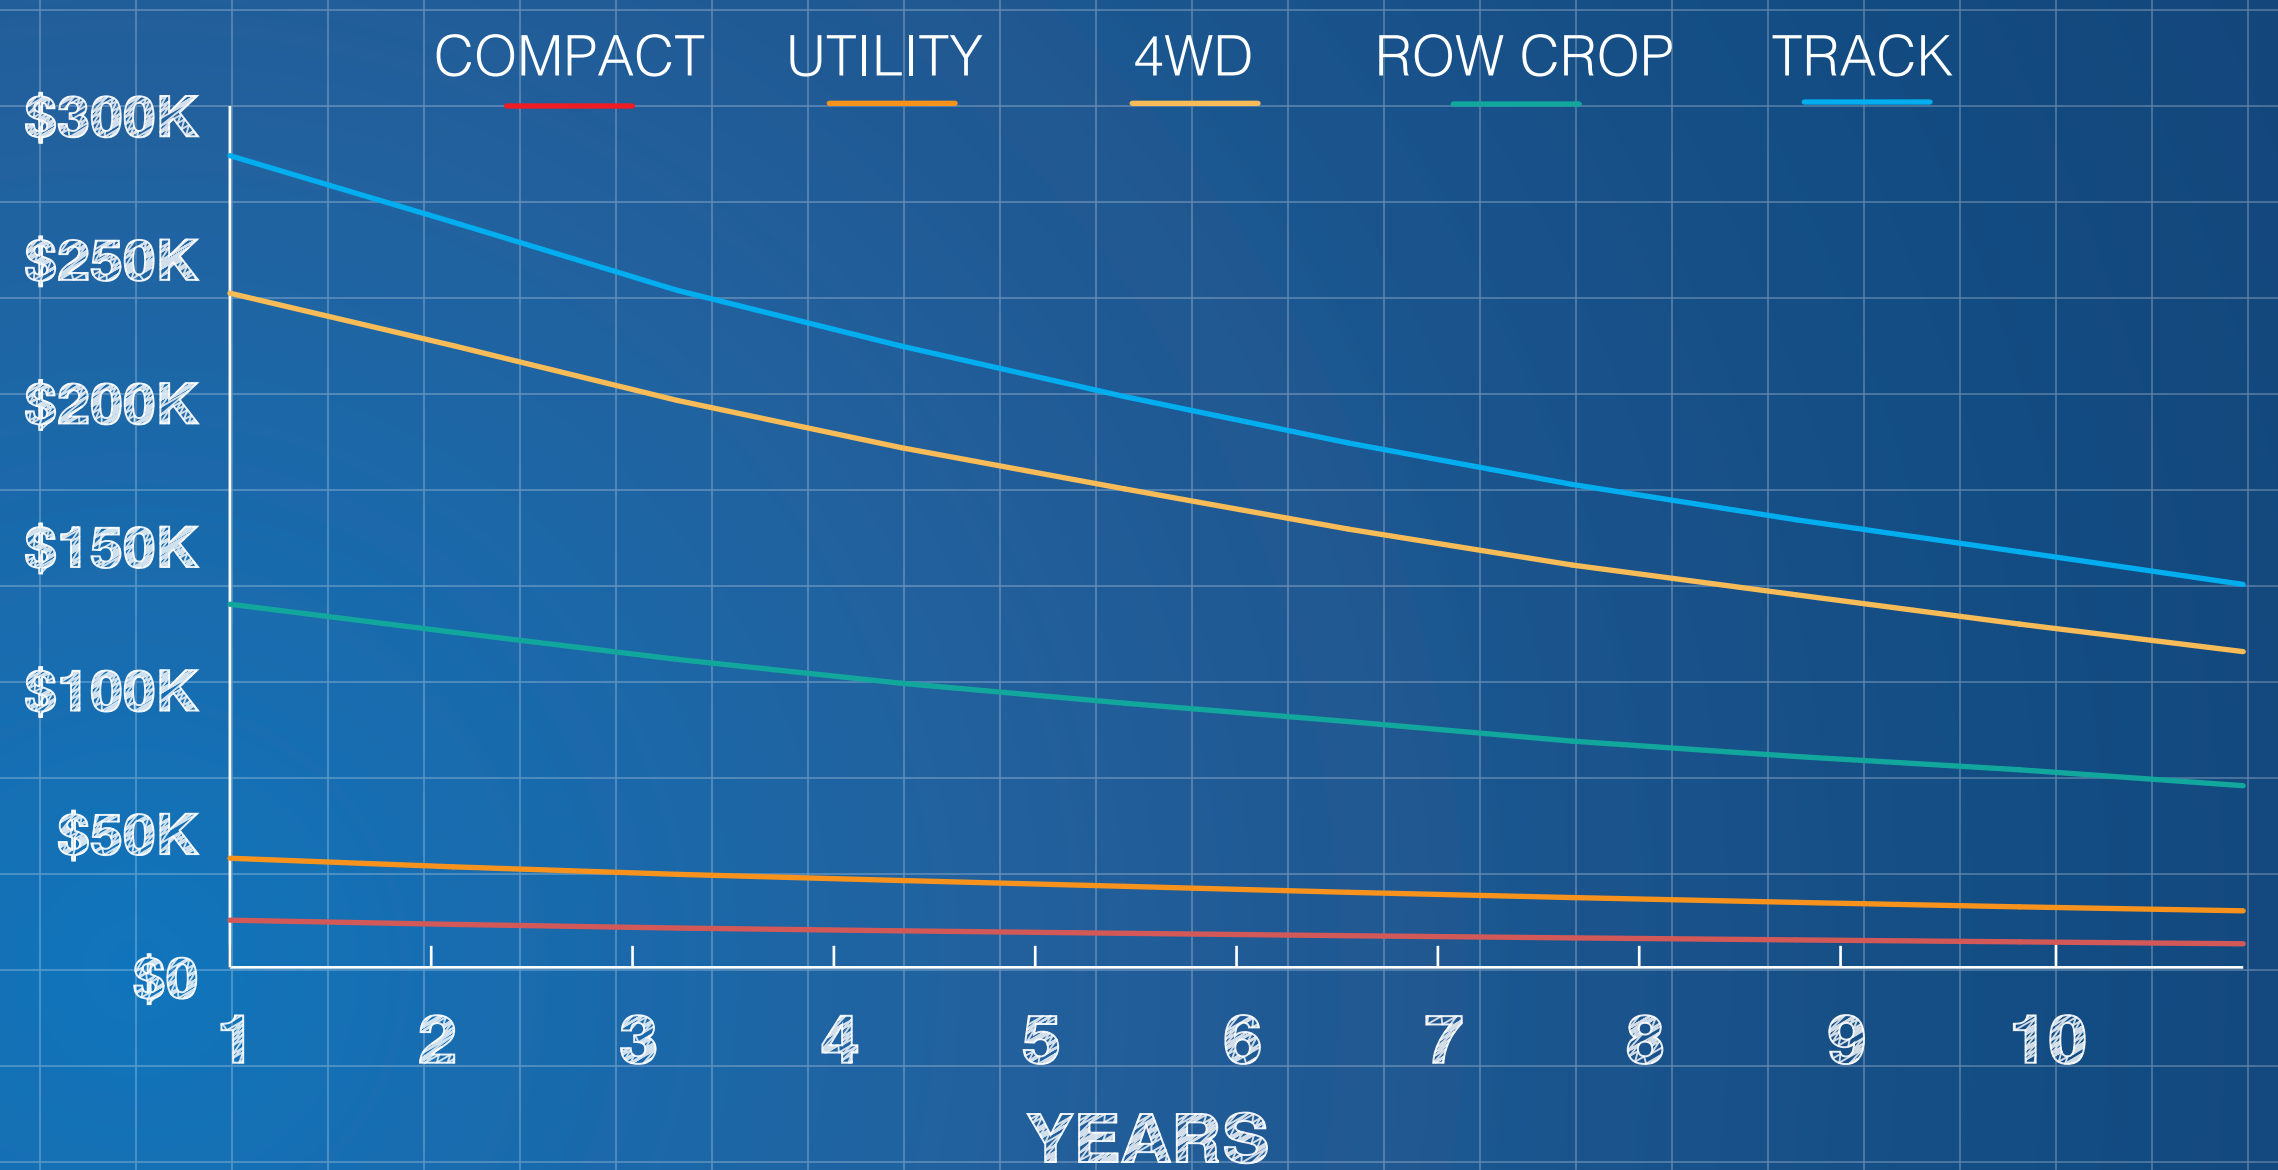

4WD

\*ROW CROP

†TRACK

\*Includes Small, Medium, Large Row Crop Tractor Data  
†Includes Row Crop Track Tractors
